16th edition

Annual Gala

PARTNERSHIP PLAN

St-James Theatre

November 8th, 2025

INVITATION

In 2025, our annual gala celebrates its 16th edition, a milestone evening marked by renewal and elegance.

This year, we are delighted to welcome you to **a brand-new venue**: the prestigious **St-James Theatre**, chosen to offer our guests an even more memorable experience. This iconic location in Old Montreal, with its historic charm and refined ambiance, promises an unforgettable evening filled with warmth and generosity.

We are also proud to announce the exceptional participation of **the Honourable Lucien Bouchard, PC GOP, as Honorary Chairman**. A lawyer by profession, diplomat, statesman, and builder, Lucien Bouchard has left a lasting mark on the political history of Quebec and Canada through his commitment, intellectual rigor, and vision of the common good. He has always placed the values of solidarity, responsibility, and public service at the heart of his actions. His support for our mission and his presence at our side bring a special distinction to this year's edition.

Can't join us on November 8?

A donation or a gift for the silent auction would be greatly appreciated.

Several partnership opportunities are also available to support this vital cause.

Your contribution, whatever form it takes, will help the Foundation fund its ambitious project, namely the acquisition of a surgical assistant robot, and continue its mission to serve the patients of Hôpital Jean-Talon.

Join us for an evening of celebration, solidarity, and commitment to our
Foundation.

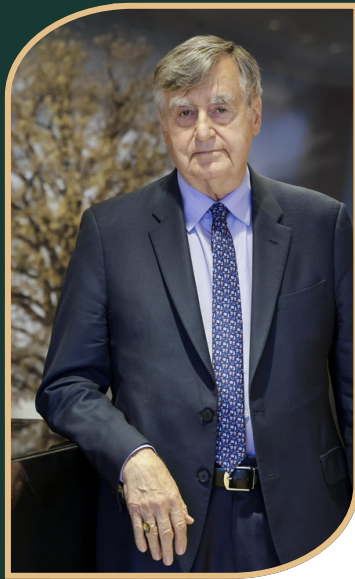

Together, let's make a difference!

THE EVENT

HONORARY PRESIDENT

It is with great enthusiasm that I accepted the role of Honorary Chairman for the 16th edition of the Jean-Talon Hospital Foundation Gala.

This annual gathering is much more than an event, it is an opportunity to come together around a meaningful initiative that directly contributes to improving the care and services offered in our community.

By supporting the Foundation, you are taking part in an inspiring journey focused on innovation, collaboration, and humanity.

I warmly invite you to join us for this evening filled with generosity and commitment.

The Honourable Lucien Bouchard

CAMPAIGN CABINET

Dr Donald Eddé M.D., CMDP President and Radiologist, Jean-Talon Hospital

Mrs. Martine Tremblay, Associate, Lussier & Khouzam

Mrs. Isabelle Éthier, Founder and Host of Femme d'Hockey

Jean+Talon**

OUR PROJECT

Support Innovation in Orthopedic Surgery

The acquisition of a surgical assistant robot represents a major advancement for our institution.

Thanks to its cutting-edge robotic guidance technology and personalized 3D imaging-based planning, this robot significantly enhances the precision of hip and knee replacement surgeries.

Its benefits are numerous:

- Fewer surgical complications
- Reduced post-operative pain
- Shorter hospital stays
- Better long-term recovery for patients

Without this equipment at Jean-Talon Hospital, the CIUSSS du Nord-de-l'Île-de-Montréal would miss a unique opportunity to position itself among the leading centers of excellence in robotic surgery and minimally invasive procedures.

An innovative, human-centered, and sustainable project, perfectly aligned with the values of solidarity, inclusion, and human dignity, values the Foundation is proud to uphold.
